Volunteers under the age of 16 are required to be accompanied by their parent/legal guardian when they volunteer at the LCHS shelter. The parent/legal guardian must stay with the volunteer for the entire shift. LCHS recognizes that this rule can pose a challenge to volunteers under 16. In order to provide another option to volunteers under 16, LCHS asks that the parent/legal guardian who signed the front of this form please fill out the following information *if the volunteer is under 16 years of age.*

As the parent/legal guardian of the signatory (who is under 16 years of age), I allow the following people to accompany the signatory to the shelter for any volunteer shift. ***I understand that I can only list the names people who are 18 years or older AND who are approved LCHS volunteers.*** (The people you list will be referred to as "chaperones" on this form. You may list up to 3 people. If you have no chaperones to list, please skip to the bottom of the page, marked by an asterisk*.)

Volunteer Social Media Agreement

Please read the agreement and complete the signature fields below.

While the Licking County Humane Society encourages our volunteers to enjoy their time at LCHS, in the area of social media (print, broadcast, digital, and online services such as Facebook, Instagram, Twitter, etc.) there are certain guidelines that need to be followed. For this reason, the Licking County Humane Society reminds its volunteers that the following guidelines apply in their use of cell phone, cameras, and social media:

If a volunteer publishes any opinions, news, or personal information about the volunteer, another volunteer or employee of the Humane Society, the Humane Society itself, adopters, donors, or other visitors in any public medium (print, broadcast, digital, or online) that:

a. has the potential or effect of involving the volunteer, employees, or fellow volunteers in any kind of dispute or conflict with other volunteers, employees, or third parties;

b. interferes with the work of any volunteers or employees;

c. creates a harassing, demeaning, or hostile working environment for any volunteers and/or employees;

d. disrupts the smooth and orderly flow of work within the office, or the delivery of services to the company's clients or customers;

e. harms the goodwill and reputation of the company among its customers or in the community at large; or

f. tends to place in doubt the reliability, trustworthiness, or sound judgment of the person who is the subject of the information;

The volunteer(s) responsible for such problems will be individually assessed and subject to potential termination of volunteer opportunities at LCHS.

LCHS understands that sometimes volunteers enjoy sharing and/or posting photos of dogs and cats to help them gain potential adopters, promote LCHS to the community, or just to brag to friends/family about how much fun you are having. While we appreciate your enthusiasm and support, it is important to understand which animals are appropriate to photograph and which are not. Please only photograph animals that are on the LCHS website and are available for adoption. If you have any questions about whether or not an animal is appropriate to photograph, please ask LCHS staff.
